

1. How to open the project

I use Pods to install the third part frameworks or libraries. Please refer to this link on

how to install pods. <https://guides.cocoapods.org/using/using-cocoapods.html>

2. How to use this App.

The first time you open the app, you will see the default movies searched with release year 2016 and all genre.

You can tap “Select a genre” or the year “2016”, the menu and keyboard will pop up. Click the search icon will trigger search net task. You can leave input year empty, that means all years.

Renduvathu Padam movie is a Tamil science fiction movie. It falls under the Period, Sci-Fi , Action genres. It has enough scope for anim

Life Off Grid

Score: 0

Genres: Documentary

Language: English

Country: Canada

Overview:

Off-grid is not a state of mind. It is not about being out of touch, living in a remote place, or turning off your mobile phone. Off-grid simply means living without a connection to the electric and natural gas infrastructure. From 2011 to 2013 Jonathan Taggart (Director) and Phillip Vannini (Producer) spent two years travelling across Canada to find 200 off-gridders and visit them in their homes. -

Genesis 3D

Score: 0

Genres: Documentary

Language: English

Country: United States of America

Overview:

Genesis is a film that is intended to tell the story of the first chapter of the biblical Book of Genesis. Genesis 3D will bring to life the Genesis account as has never been done before. Not just with big Visual effects, but also using academic research and reports of some of the leading
